MOTION FOR LEAVE TO EXCEED TWENTY PAGES

Pursuant to Local Rule 7.1(B)(4), the Gillette Company (“Gillette”) respectfully moves this Court for an order permitting it to file a brief in excess of twenty pages. In support of its motion, Gillette states that:

1. Pursuant to the Court’s Order, Gillette will file today a Submission in Support of Preliminary Approval of Proposed Settlement (the “Submission”).
2. The purpose of the Submission is to demonstrate to the Court that the proposed settlement in the above-captioned action is fair, reasonable and adequate.
3. To put its showing in proper perspective, Gillette has been obligated to review in its Submission not just the terms of the proposed settlement and the proceedings before this Court, but also the proceedings in another federal court and several foreign jurisdictions.
4. In addition, a proper discussion of the potential claims and defenses that would have to be considered in this matter should it not be resolved by settlement requires extended treatment.
5. Because of the forgoing considerations, Gillette has found it necessary to prepare a submission of approximately twenty-nine pages.

Gillette, therefore, respectfully requests that the Court permit it to file a submission of no more than thirty pages.

Respectfully submitted,

THE GILLETTE COMPANY
By its attorneys
